The program extends to midnight when the Ray Hadley Country Music Countdown is not available, the 18:00-22:00 hourly format repeats between 22:00 and 24:00

Every attempt is made to play all scheduled breaks. However, due to the nature of a talk program it is not always possible to follow the schedule. If commercial breaks are dropped they will not be made up the following hour, stations are advised to reset their breaks at the top of hour or the conclusion of the program
